HH Miss Advance 0077X ET

Donor Female

Purchased from Holden's, 0077 is a top donor cow. She was one we really wanted to own. She had ET sons selling that are royally bred. This cow throws her pigment, depth and udder quality into her offspring. Look up her sons in our February 10, 2018 Bull Sale Catalog.

Amdahl's Dixie Erlca 933

Donor Female

One of our Pathfinder Donor cows by OCC Linebred 661L who has identified herself through her calves production and her breed back while being flushed. She offers proven fertility, ideal feet and legs, longevity (Grandam living until 21 years of age), easy fleshing, ideal cow size, calving ease, and productive offspring. Sons and daughters sell in February.

CL 1 DOMINETTE 7136T 1ET

What a cow! She is a legend! To condense what could go into a book in just a few lines is impossible. In short, one daughter alone has produced the last two top selling bulls at Cooper's and sold a flush in Denver for \$26,000.
