Annual Bull and Female Sale

SAT., DECEMBER 13th 2025

1:00 PM MST
AT THE RANCH
RAPID CITY, SD

Welcome to the AMDAHL RANCH BULL & FEMALE SALE

**Tim and Marcia
Amdahl**

**J.D., Annie, Coley,
Maverick, Scout,
and Holland Amdahl**

Welcome to our December 13th, 2025 Bull and Female Sale! As always we are thankful to have your consideration for your future genetics. We are excited about "breeding excellence" in our herd, starting with the mother cow.

Our family has taken great pride in our herd and offering in this year's sale. From our little helpers pushing cattle to different pastures, to working cattle in the chute, to trying to get their attention in the picture pen; it truly is a young family operation. We hope you find as much satisfaction in this offering as we do. We stay committed to genetics and a customer first approach.

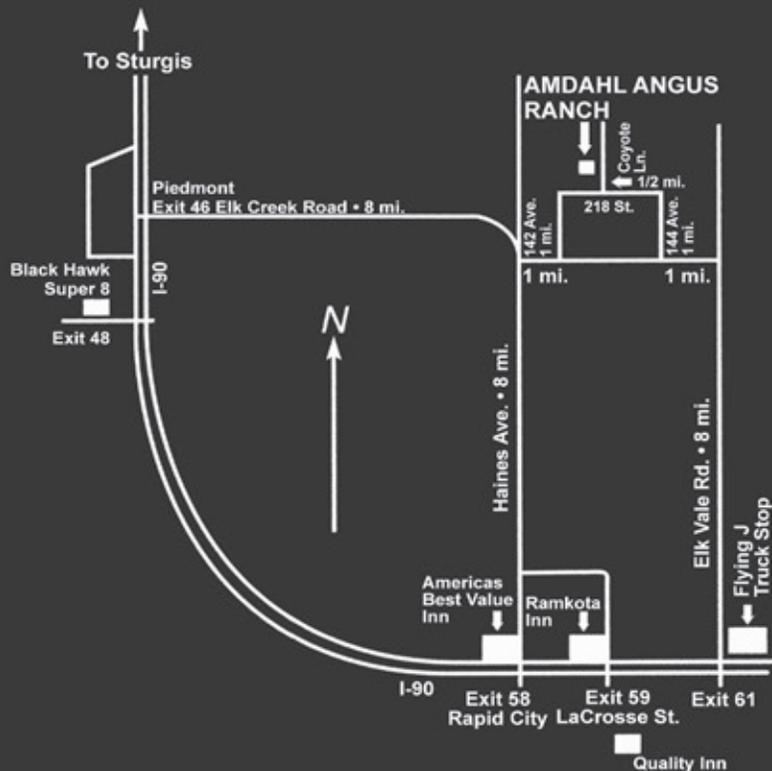

Bulls are not creep fed. As the weaning weights increase, we feel confident that our genetics continue to excel in our harsh western climate.

Whether you're in the commercial or registered cattle business, we know the key to your success is producing a live calf at birth and the top cut quality calf that weighs down the scales come weaning time, still keeping as our top priority that females are the backbone to any successful operation. That's why we base our breeding decisions on maternal traits, growth and structural soundness.

We are especially excited to offer some cutting edge ET bulls and females along with 100 fancy commercial bred females that were purchased from our bull customers. It's exciting to own our sires that we feel have really complimented our breeding program.

Thank you again for investing and showing your support to our family as we hold our annual production sale. We hope that you contact us directly if you have any specific questions or if we can be of any assistance at all. We are here to serve you for your cattle needs. We so appreciate your interest in the Amdahl Angus Program.

J.D. and Annie Amdahl

Sale Day Phones

JD: 605-999-6487 | Tim: 605-929-3717

Sale Day Information

Guarantee

All bulls selling for \$5,000 or more are guaranteed and will be covered by the Amdahl's until October 1, 2026. Buyer must let us know immediately if injury occurs to a bull. If a bull becomes injured and does not recover, we will give you credit towards one replacement bull or credit in next year's sale less salvage value (\$4,000). Bull needs to be evaluated by a qualified vet before selling. **Customer satisfaction is our #1 goal.**

Wintering Info

\$500 off bulls taken home on sale day. Bulls will be wintered/fed until March 1st. They'll be semen tested, vaccinated and freeze branded before leaving. If bulls need to be kept longer, we can make arrangements at feed cost. Females kept longer than 1 week after the sale will be charged for feed.

Delivery

\$500 off bulls taken home on sale day. We will be offering free delivery to South Dakota and all surrounding states. Bulls can be kept after the sale and delivery will begin March 1st. We will help assist on delivery on registered females, but buyers' responsible for cost. Amdahl Angus is not responsible for trucking on Commercial females.

Volume Discount

This discount will start with the purchase of at least five bulls. Five bulls is a 5% discount, six bulls is a 6% discount, all the way up to ten bulls with a limit of 10%.

Terms and Conditions

Amdahl Ranch is selling 100% of bulls and females. We reserve the right to collect a few select bulls at buyers convenience. Unless otherwise announced sale day.

OUR 5-STAR SYSTEM

Welcome to Amdahl Angus

This amazing market marches on as I write this letter for you the hard-working men and women of rural America. As I watch really for the first time in my life demand out do supply it inspires me to work harder for the good people who have chosen the ranching way of life. JD and Annie are one of those young families that have decided on Angus and ranching as their way of life. Along with being one of hardest working young men I have ever met, JD is very wise for a young breeder and rancher. He looks at every aspect of the animal and business, asks questions then makes decisions that will support his ranch and growing customer base. His pure approach to the Angus business, service minded approach and great work ethic is his competitive leverage and your genetic opportunity.

The offering this year continues to incrementally move forward in many areas of measures traits. The same selection pressure on muscle, bone and temperament is represented with the combination of maternal and end-product merit improvement. The market asks these cattle to do a lot the goal at Amdahl Angus is they do just that. As we have mentioned to take advantage of this great market you need inventory. The offering this year includes just that. Selling 105 Angus bulls with over 40 females of purebred Angus bred heifers and heifer calves and 100 commercial bred heifers. The quality is deep and raised to reside in any region.

In closing choosing where you do business has never been more important then today. Your investment decisions to keep us all in business must first support your ranch, secondly support your neighbor. If JD and Annie were your neighbor, you could not have a better one and would feel blessed! In ranching we are all our neighbors at this point. I ask you take a serious look at this excellent offering as an option for your program. You will get great genetics, unbelievable service, the joy of supporting a great young family and finally a great neighbor.

God Bless

Chris, Wes, Kody and Amanda
